The Kite Academy Trust
Flying high together

1 Introduction

There may be mutual benefits in schools and businesses entering into arrangements with a view to improving outcomes for students. These arrangements can involve the provision of funds or services to schools in return for acknowledgement or recognition.

This policy was formulated to facilitate the procurement of corporate sponsorship for the benefit of the pupils of the Kite Academy Trust in a transparent and robust manner while maintaining the integrity and ethos of the Trust. The Trust and its academies may seek additional resources or services through sponsorship agreements to support initiatives, events or activities. While actively seeking opportunities to collaborate with external organisations, it is vital to ensure the values of the Trust are maintained and the Trust's reputation is not damaged through any such partnerships. Activities of organisations we work with are to be consistent with our mission and vision and in accordance with other Trust and academy policies.

2 Mission & Vision

“Together we inspire a lifelong love of learning, which enables all our children to achieve more than they ever believed possible”

Our Vision is to be a first class, inclusive, collaborative and forward thinking family of local academies ensuring excellence in Primary education where:

- Our children will thrive and achieve as confident, caring, local, national and global citizens
- Families will embrace opportunities across the Trust, helping to promote the best outcomes for all children
- Nurtured and empowered teams will enhance expertise, share best practice and have the professional courage to explore possibilities
- With strategies in place for growth, the Multi Academy Trust will develop sustainability, delivering excellent Primary Education in local communities

3 Aims

This policy has been devised to ensure clarity and openness to all our stakeholders and to provide procedures for entering into sponsorship arrangements. The aims of this policy are to:

- Ensure that sponsorships support the educational functions of the Trust as a whole;
- Minimise draw on Trust and academy resources;
- Ensure that sponsors and the nature of such activities are suitable and do not impinge on the integrity, ethics and ethos of the Trust;
- Protect the privacy and rights of the Trust community;
- Provide transparency

4 Definitions

Donations are unconditional gifts or money or materials. This policy does not apply to donations.

Sponsorship is the negotiated provision of funds or in kind support through the provision of material goods, services, knowledge or other resources in exchange for advertising, publicity or other benefits. Sponsorship does not include joint ventures, consultancies, grants or unconditional gifts, donations or endowments.

A **Sponsorship Agreement** is a written document outlining the negotiated terms for a sponsorship.

5 Principles

The Kite Academy Trust does not endorse or approve products or companies, and a statement to this effect will be included alongside any branding or promotion associated with products. Similarly, staff will not actively recommend or endorse a product or service.

Personnel of the Trust must not individually benefit as a result of sponsorship.

Access to academy community(s) by a sponsor is not an automatic benefit of sponsorship and requires prior approval of the Board of Trustees, in consultation with the Academy Head and Chair of Academy Council.

Personal information held by the Trust will never be given or sold to any third party in whole or part, nor will a third party be given access to it.

As a guiding principle, The Kite Academy Trust will not accept more than £50,000 from one sponsor so as not to compromise its integrity. Any sponsorship proposal above this amount will be referred to the Finance & Resources Committee for due consideration. This does not include money raised via fundraising as part of any partnership arrangements.

A full list of sponsors giving over £10,000 will be maintained on our website.

Final authority over any Sponsorship Agreement or Contract rests with the CEO and Board of Trustees (delegated to the Trust Board Finance & Resources Committee).

6 Sponsorship Agreement

A Sponsorship Agreement may be with a business or organisation, local or national. When considering an organisation as a potential sponsor, the Trust/academy will evaluate the appropriateness of:

- The type of products or services the organisation markets;
- The marketing methods used;
- Its public image as an employer;
- The impact it has on the environment

Where there is doubt as to the suitability of an organisation, the sponsorship negotiations should not proceed.

A Sponsorship Agreement should:

- Be consistent with the ethos, vision and values of the Trust;
- Protect the good name and integrity of the Trust;
- Be in the best interests of the pupils;
- Enhance the educational provision of the Trust;
- Consider time and resources allocation for proposed activities;
- Include provision for those pupils, families or staff who do not wish to participate (where relevant)

A Sponsorship Agreement should **not**:

- Compromise the professional standards and ethics of staff;
- Limit or direct academic debate in the classroom;
- Influence the curriculum or other programmes;
- Place undue pressure on pupils, families or staff to purchase particular products or services or to adopt particular beliefs, attitudes or courses of action

A Sponsorship Agreement shall be made for a specific period and purpose. Sponsorship Agreements may be re-negotiated by either party. The Agreement shall ensure the Trust/academy would not have any financial liability in the event that a sponsor withdraws.

A Sponsorship Agreement shall contain a clause which allows for the cancellation of the agreement without penalty in the event of information questioning the appropriateness of an organisation as a sponsor comes to light after the Agreement has been signed.

All acknowledgment arrangements will be detailed in the Agreement to avoid any future dispute.

Agreements should take the form of either the Sponsorship Agreement (Appendix A) or Sponsorship Contract & Schedule (Appendix B) and should clearly outline:

- The extent and nature of the sponsorship;
- The roles and obligations of the school and sponsor;
- The benefits to all parties;
- The duration of the sponsorship and termination conditions

The Sponsorship Agreement or Sponsorship Contract & Schedule should be used as follows:

Amount	Proposer	Approval	Agreement
£0 - £1,500	Member of Staff	Academy Head / Central Team Manager	Sponsorship Agreement (Appendix A)
£1,500 - £10,000	Academy Head / Central Team Manager	Executive Team Member	Sponsorship Agreement (Appendix A)
£10,000 - £50,000	Executive Team Member	CEO	Sponsorship Contract & Schedule (Appendix B)
£50,000+	CEO	Chair / Vice Chair of Trustees	Sponsorship Contract & Schedule (Appendix B)

7 Acknowledgment

The extent of acknowledgment will reflect the level of sponsorship. Use of the Trust/academy name by a sponsor is not permissible, unless approved by the Board of Trustees. It is reasonable to allow a sponsor to display a letter or certificate from the Trust/academy recognising their sponsorship.

While forms of acknowledgment may vary the following methods are suggested:

- Placement of a sign or notice acknowledging the support of a company that provided the resource
- Attendance by the sponsor at Trust/academy functions and an opportunity for the sponsor to make an address or present awards at such functions
- Acknowledgment of the sponsorship in Trust/academy booklets or newsletters

The Trust/academy logo must be prominently displayed in conjunction with any sponsor's name, logo, trademark or symbol used at an activity, or on any printed matter. The Trust/academy logo shall be at least the same size as the sponsor's logo.

8 Monitoring & Reporting Responsibilities

For each Sponsorship Agreement the Academy Head will ensure details of the sponsorship income, expenditure and reviews, including how each sponsorship benefited pupils, are reported to the Academy Council. The Executive Head Teacher will ensure this is reported to the Trust Board.

Details of all current sponsorship income and expenditure will be reported within the Kite Academy Trust's Annual Report & Financial Statements including details of how each sponsorship benefited pupils.

Records of all Sponsorship Agreements will be kept for a period of 7 years.

9 Complaints

Any concerns about the application of this policy, or the policy itself, should be raised with the Clerk to the Trust Board.
