1 Introduction

The Kite Academy Trust and its academies value the individuality of all of our children, staff and volunteers. We are committed to providing every opportunity for all to achieve the highest of standards. We do this by taking account of individual's varied experiences and needs.

This policy sets out our approach to promoting equality, as defined within The Equality Act (2010) and The Equality Act 2010 (Specific Duties) Regulations 2011. It seeks to ensure that we provide equal opportunity for all children and adults and integrates our statutory duties in terms of gender, race, disability, sexual orientation, religion or belief, age, gender reassignment, pregnancy, marriage/civil partnership and promoting community cohesion.

This policy and our statutory duties cover students, staff, parents and carers within our community and people visiting our academies.

Under statutory duties, all schools have a 'General Duty' to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by the Equality Act 2010;
- Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it;
- Foster good relations between persons who share a protected characteristic by tackling prejudice and promoting understanding

2 Aims and Objectives

The Kite Academy Trust and its academies aim to foster a sense of community in which all children, staff and volunteers are valued and can thrive, regardless of background, religion, race, language, ability/disability, sexuality, gender or age. We are proactive in promoting good relationships and equality of opportunity across all aspects of school life and the wider community and eliminate any discrimination, harassment or discrimination.

We strive to make the best possible provisions for children, staff and volunteers regardless of disability, ethnicity, culture, religious belief, national origin or status, gender or sexual orientation. We value each individual's worth, celebrating cultural diversity of our academy communities, and showing respect for all minority groups.

We aim to promote the principle of fairness and justice for all. We know that treating people equally is not simply a matter of treating people the same.

We aim to act positively and have due regard to the need to challenge; eliminating any form of discrimination, prejudice or stereotyping.

We are proactive in our efforts to identify and minimise existing barriers or inequalities.

We aim to ensure that all recruitment, employment, promotion and training processes are fair to all, and provide opportunities for everyone.

We offer a broad and balanced curriculum, and have high expectations of all children. The achievements, attitudes and well-being of all our children matter. We ensure that all pupils have equal access to the full range of educational opportunities provided by our academies.

We encourage, support and enable all children, staff and volunteers to reach their potential and make a positive contribution.

3 Racial Equality

Under our general duty, we will:

- Strive to eliminate all forms of unlawful racism and racial discrimination;
- Promote equality of opportunity, regardless of race, ethnicity or religion;
- Promote good relations between people of different racial and ethnic groups;
- Seek to educate pupils in a manner which promotes community cohesion in a multi-cultural society.

We do not tolerate any forms of racism, racist behaviour or discrimination. Should a racist incident occur, we will deal with it in accordance with our procedures and we keep appropriate records of all incidents.

We endeavour to make our environments welcoming to all minority groups.

We promote an understanding of diverse cultures through our values and curriculum. Our curriculum reflects the attitudes, values and respect that we have for minority ethnic groups.

4 Disability Non-Discrimination

We are committed to providing equality of opportunity and meeting disability needs of children and adults, as we are to meeting the needs of all within our community. All reasonable steps are taken to ensure that an individual with disability is not disadvantaged compared with a non-disabled individual.

We aim to promote positive attitudes towards those with disability and actively seek to eliminate any unlawful discrimination and harassment related to disability.

We encourage participation of all individuals, including those with a disability, in all aspects of academy and public life.

Our academies are committed to providing an environment that allows children and adults with disability full access to our premises and to all areas of learning. We strategically plan for this over time through our Accessibility Policy and individual academy accessibility plans. Academy accessibility plans identify how we are:

- Increasing access to the curriculum;
- Making improvements to the physical environment of our academies to increase access;
- Making written information accessible to individuals in a range of different ways

We modify teaching and learning as appropriate for children with disabilities. For example, they may be given additional time to complete certain activities, ensure access, modify teaching materials, or offer alternative activities if children are unable to manipulate tools or equipment.

5 Gender Equality

We are committed to eliminating unlawful discrimination and harassment so that all individuals, regardless of gender, are able to make the best progress possible.

The general duty to promote gender equality means that we must have due regard to eliminate unlawful discrimination and harassment and promote equality of opportunity between all genders. We are committed to:

- Taking a key role in shaping values and attitudes and take a lead in challenging gender-based harassment, bullying and violence and stereotyping in our community, curriculum and behaviours;
- Including the gender equality duty in the way we plan for academy improvement;
- Providing an environment free of homophobia, biphobia and transphobia;
- Building on our positive work around the PSHCE curriculum;
- Investigating and addressing complaints of any forms of bullying and/or harassment in line with our policy;
- Providing appropriate support for the positive wellbeing of all staff, children and families;
- Promote gender equality within our workforce, including the need to consider actions to address the causes of any gender pay gap;
- Rigorously monitor all children's progress; comparisons are made between specific groups of children including gender;

- Actively challenge stereotypes to parenting and seek to provide positive resources that raise awareness of differing family make up;
- Develop positive relationships between groups of children and adults;
- We will ensure that we do not discriminate on the grounds of age, sexual orientation, religion, belief, pregnancy and maternity and we will take all reasonable actions to eliminate discrimination and harassment for these equality areas.

The duty also includes transgender and children/adults questioning their original gender. Transgender people are explicitly covered by the gender equality duty. The term 'transgender' refers to a range of people who do not feel comfortable with their birth gender. We will respect the confidentiality of those seeking gender reassignment and will provide a supportive environment within our community.
